### **MEMORANDUM**

TO: California Dungeness crab community

FROM: DCTF Administrative Team

DATE: March 9, 2012

SUBJECT: March 12 DCTF meeting materials available

The California Dungeness crab task force (DCTF) Administrative Team would like to announce that additional meeting materials for the DCTF's March 12 meeting in Ukiah, CA are now available on the DCTF website:

<http://www.opc.ca.gov/2009/04/dungeness-crab-task-force/>.

Limited copies of meeting materials will be provided at the meeting, and will also continue to be available online.

The Dungeness crab task force (DCTF) was established pursuant to the requirements of Senate Bill 369. The DCTF will review the current management of the Dungeness crab fishery including the commercial Dungeness crab trap limit program and recommend potential Dungeness crab management changes to California legislature and regulators.

For more information about the DCTF, please visit the OPC's Website: <http://www.opc.ca.gov/2009/04/dungeness-crab-task-force/> or contact the DCTF Admin Team at [crabs@scc.ca.gov](mailto:crabs@scc.ca.gov) or [805-845-9852](tel:805-845-9852). Thank you for your interest in California's Dungeness crab resource management.
