Oregon Ocean Commercial Dungeness Crab Permit Holders and Interested Persons,

Fishery managers met today to determine the opening structure for the west coast commercial Dungeness crab fishery. In response to low pick-out rates for crab in Washington and Northern California areas, the opening of the Oregon Dungeness crab fishery will be delayed another 15 days and open in Oregon as follows:

64 hr presoak begins (setting gear): December 28, 8:01AM

Hold Inspections: December 30, see attached schedule

Start date (pulling gear): December 31, 12:01AM

Please contact me if you have any questions.
