

OREGON DEPARTMENT OF FISH & WILDLIFE

FISHING VESSEL LANDING RECORDS RELEASE FORM

Oregon Revised Statute 192.501(5) conditionally exempts fish ticket catch records from disclosure under the Oregon Public Records Law, unless the public interest otherwise requires. The Oregon Department of Fish and Wildlife (ODFW) has determined that the fisherman who is credited with the landings of the fish and/or shellfish may examine the landing information for a vessel. The request must be in writing and signed in the presence of a notary public. Send this completed and notarized form, with a check for \$20.00 made out to ODFW, to:

Oregon Department of Fish and Wildlife
Fishery Information Systems
3406 Cherry Avenue N.E.
Salem, Oregon 97303-4924
Attn: Michelle Grooms

A separate form, each with a check for \$20.00, must be submitted for each vessel. Payment for multiple requests may be combined on a single check.
