**2. Declare the value of your loss by providing documentary and written support.**  
*(See attached application.)*

Pacific States Marine Fisheries Commission will distribute relief funds for the Klamath River System share of the California Federal Chinook Salmon Disaster Relief Program. The total California allocation to cover Lost Income for Klamath River System Chinook Salmon-Related Businesses is \$2 million.

All approved applications will be paid at 50% of the validated loss. The remainder of the validated request will be paid after the closing of the March 31, 2008 deadline, with the provision that the total requests will be balanced against the total allocation budget. If there are not enough funds to fulfill the total amount requested, each application will be reduced by a factor of the funds remaining. If there are not enough funds to fulfill the total amount requested, each application will be reduced by a factor of the funds remaining. Applicants are eligible for up to 100% of their validated claim, up to a maximum of \$100,000.
