

Returning Applicants

Once you have completed an online application you have the option to update and/or apply your application to other PSMFC job openings. PLEASE NOTE: The online recruiting system (Ceridian) only saves the most recent version of the cover letter and resume. Please contact PSMFC HR if you wish to provide a cover letter and/or resume for each position you've applied for.

IMPORTANT: No incomplete applications (indicating "see resume" or unsigned), unsolicited resumes or resumes without an accompanying application, or cover letters will be considered for employment. Do not expect to be contacted if you submit an incomplete application.
