

**Washington Department of Fish and Wildlife
Coastal Commercial Dungeness Crab Industry Survey**

The survey asks for your license number in order to account for all of the responses and to avoid duplication, the information collected will only be distributed in summary form, individual responses will be considered confidential.

Please provide responses to the following questions:

1. WDFW Coastal Dungeness crab license number: _____
2. Do you actively fish in the coastal commercial Dungeness crab fishery?
Yes No
3. Place an X in the space below to indicate where you started the commercial crab season during the last three crab seasons.

Season	North of Klipsan Beach	South of Klipsan Beach
(a.) 2006-07		
(b.) 2007-08		
(c.) 2008-09		

4. If you have started the season in the areas north of Klipsan Beach, would you support a temporary reduced pot limit, if that allowed the state fishery to open sooner (in the area between Klipsan Beach and Destruction Island)?

Yes No

If you responded yes to question number 4, indicate if you would support either option listed below:

- a. Would you be willing to use 10% fewer pots (450/270) for six weeks if it allowed you to start the season one week earlier than you would with all of your pots (500/300)? Yes No
- b. Would you be willing to use 20% fewer pots (400/240) for six weeks if it allowed you to start the season 2-weeks earlier than you would with all of your pots (500/300)? Yes No
