MEMORANDUM

TO: California Dungeness crab community

FROM: DCTF Administrative Team

DATE: March 2, 2012

SUBJECT: Reconvening of the DCTF

The California Dungeness crab task force administrative team would like to announce that the California Dungeness crab task force (DCTF) has been reestablished and will begin official business in March 2012.

The meeting agenda for the next Dungeness crab task force meeting is now available. The meeting will be held:

Monday March 12, 2012

8:30am

Cabernet II Room

Ukiah Valley Conference Center

200 S School St.,

Ukiah, CA, 95482.

The meeting agenda is available online at <http://www.opc.ca.gov/dungeness-crab-task-force-meeting-agenda-march-12-2012/>. Additional supporting documents may also be posted prior to the meeting date.

The Dungeness crab task force (DCTF) was established pursuant to the requirements of Senate Bill 369. The DCTF will review the current management of the Dungeness crab fishery including the commercial Dungeness crab trap limit program and recommend potential Dungeness crab management changes to California legislature and regulators.

For more information about the DCTF, please visit the OPC's Website: <http://www.opc.ca.gov/2009/04/dungeness-crab-task-force/> or contact the DCTF Admin Team at crabs@scc.ca.gov or [805-845-9852](tel:805-845-9852). Thank you for your interest in California's Dungeness crab resource management.
