June 16, 2022
7:45am—1:00pm

**McCausland Hall-Westport
Maritime Museum
2201 Westhaven Blvd
Westport, Washington**

This is your chance to learn all about vessel stability related to your fishing vessel. Topics include: Intact stability, stability principles, effects of fishing gear on stability, weight creep, free-surface effect and interpreting stability information. Also included are stability model demonstrations.

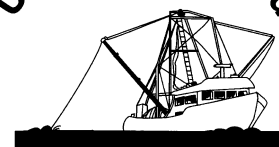

BRING Photo ID, Vessel's Stability Book

Class is offered through a partnership with the Alaska Marine Safety Education Association Washington Sea Grant and the U. S. Coast Guard

U.S. Coast Guard
